

Septic System & Well Use and Maintenance Workshop

presented by

**MSU Extension &
Macomb County Health
Department**

Wednesday, February 19, 2020

6:15 to 8:30 P.M.

Program check-in begins at 6 PM

Lenox Township Offices
63775 Gratiot, Lenox Twp.

A faulty well or septic system can harm a family's health as well as threaten pets and wildlife, contaminate surface and groundwater and lower property values. This workshop will cover well construction and maintenance, water conservation, how a septic system functions, septic system maintenance, how to detect septic failure. Participants will receive handouts on these topics.

Workshop is **FREE** but pre-registration is recommended due to limited seating

For more information, call 586-469-6440.
